# JAY BHAGAT

Computer Science Student

✉ jbhagat@uwaterloo.ca   📞 +1 416-705-0271   jaybhagat   🌐 bit.ly/JayBhagat

Skills

Proficient with: Java, Racket, JavaScript, HTML/CSS, React.js, Git, LaTeX

Familiar with: C, Node.js, PostgreSQL, Firebase

Projects

Personal Website: Used *React.js* with *HTML/CSS and JavaScript* to build my own personal website to display my portfolio and deployed it using *Firebase*.

Brick Breaker: Applied principles of *Object-Oriented Programming* and *multi-dimensional arrays* to make a throwback version of Atari Breakout using *Java*.

Number Theory Calculator: Integrated the use of different efficient *algorithms*, with their *time complexities*, with programming in *C* to create a calculator that has operations such as mod, gcd, lcm, etc.

Experience

The EPOCH App   Waterloo, ON
Software Developing Intern   *Feb. 2019 - Apr. 2019*
- Implemented parts of the EPOCH website using *React.js* to improve its UX/UI design to attract users
- Applied source links to the different pages of The EPOCH App to make the website more efficient
- Effectively managed code repositories with *Git* to work with an *agile* software development style

City of Brampton   Brampton, ON
Seasonal Camp Counselor & Preschool Instructor   *Mar. 2018 - Aug. 2019*
- Supervising over *60 participants* (ranging from 3 to 13 years old) with a team of 3 other counselors to ensure their safety
- Designed activities for participants to develop their *problem solving* and *motor skills* as commented on by numerous parents
- Integrated participants with disabilities with the remainder of the group through activities as evidenced by their *increasing social circles*

TFSS HOSA   Brampton, ON
Vice-president of Education   *July 2017 - June 2019*
- Lead a team of *14 Training Coordinators* to develop a strategy to teach required content to 120 high school students from which *35 were part of the Top 10* in their respective events
- Organized a completely new educational structure for the TFSS HOSA chapter to improve the *quality of education* for students
